

Purchased from a Broker

If the broker took possession and title to the vessel, it is considered as a sale from a dealer. Purchaser must submit a completed [Boat Registration Tax Payment Certification \(R-1331\)](#), invoice or purchase agreement, and manufacturer's statement of origin (including the name and address of buyer and seller). If payment of taxes are not evident on the invoice or bill of sale, additional information may be required to verify payment of sales taxes. Upon verification of payment of taxes, the purchaser can complete and submit a [Boat Registration/Boat and Motor Title Application](#) directly to the LA Department of Wildlife and Fisheries.
